Jean Killoren
Killoren Regulatory Consulting
Authorized Agent for K-G Spray Pak Inc.
316 Highland Ave.
Hartford, WI 53027

Subject: Label Amendment – Addition of marketing claims for mosquitoes that may transmit Zika, etc.
Product Name: PERSONAL INSECT REPELLENT II
EPA Registration Number: 46813-22
Application Date: 02/12/2016
Decision Number: 514055

Dear Ms. Killoren:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 514055

with FIFRA section 6. If you have any questions, you may contact Elizabeth Fertich at 703-347-8560 or via email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'J S', with a long horizontal stroke extending to the right.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and Follow All Directions and Precautions on This Product Label

- Apply this product only to exposed skin and/or clothing as directed on this label.
- **DO NOT** spray in enclosed areas. Avoid breathing a spray product, and **DO NOT** use it near food.
- Repellents should be applied only to exposed skin and/or clothing (as directed on this product label). **DO NOT** use under clothing.
- Never use repellents over cuts, wounds or irritated skin. Use just enough of this product to cover exposed skin and/or clothing. Avoid over-exposure of this product. If biting insects do not respond to a thin film of repellent, apply a bit more.
- **DO NOT** apply near eyes and mouth, and apply sparingly around ears. When using sprays, do not spray directly into face; spray on hands first and then apply to face.
- **DO NOT** allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply product to your own hands and then put it on the child. **DO NOT** use on infants.
- **DO NOT** apply more than 3 times per day to children ages twelve (12) and under.
- After returning indoors, wash treated skin with soap and water or bathe.
- Wash treated clothing before wearing it again.

- **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles).
- **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you.**

To Repel the Listed Insects

[First, remove protective cap.] Hold can at least 12 inches away, point valve in desired direction and press button to spray. Apply to clothing and all exposed skin areas. Repeat as needed. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing.

Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store this product in a cool, dry (preferably locked) area away from heat or open flame. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions [or toll free number or website, which meets the criteria in paragraph II.E. of PR Notice 2007-1]

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Causes substantial but temporary eye injury. Harmful if swallowed. Avoid contact with eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.
